Licensee shall remove from Appendix A, by amendment, the names of any entity that ceases to be an Affiliate of Licensee. Licensee may amend Appendix A by adding the names of Affiliates that will engage in the Sale of Licensed Product and removing the names of Affiliates that are not engaged in the Sale of any Licensed Product. Any amendment to Appendix A made pursuant to this Section 2.1 shall be effective when Licensing Company receives a written copy of such amended Appendix A, which shall include an indication of the information that has been added, deleted or changed.
- 2.2 *Licensee Affiliates' Rights and Obligations.* With the exception of this Section 2, Section 11 ("Essential Patents"), Section 13 ("Term and Termination") and any other provision that expressly distinguishes between Licensee and a Licensee Affiliate, the obligations and other requirements of this License Agreement that apply to Licensee shall also apply to each and every Licensee Affiliate, and Licensee shall ensure that its Licensee Affiliates satisfy all obligations and other requirements imposed on Licensee Affiliates.
- 2.3 *Authority.* Licensee warrants that it has either (a) all necessary right and authority to bind Affiliates to the obligations imposed on Affiliates in this License Agreement or (b) provided Licensing Company with a written undertaking from each Affiliate towards Licensing Company in which such Affiliate states that it understands and agrees to comply with the obligations of this License Agreement, including the joint liability for breach set forth in Section 2.4 and, with respect to Affiliates, grant-back obligations set forth in Section 7.

- 2.4 Licensee Responsible for Affiliates' and Authorized Recipients' Acts. On behalf of itself and its Licensee Affiliates, Licensee agrees that if any actions or omissions by a Licensee Affiliate or an Authorized Recipient breach this License Agreement, then Licensee on the one hand and such Licensee Affiliate or Authorized Recipient as the case may be on the other hand shall be jointly and severally liable for such breach.
- 2.5 Licensee Responsible for Authorized Recipients Underreporting. On behalf of itself and its Licensee Affiliates, Licensee agrees that if an Authorized Recipient commits an act of underreporting, Licensee will be liable for such act of Authorized Recipient, as if it had committed a breach of its obligations under this License Agreement.

3 GRANT OF RIGHTS

- 3.1 License Grant. Subject to Licensee Parties' full and unconditional compliance with its obligations under this License Agreement, Licensing Company hereby grants to Licensee Parties during the term of this License Agreement a non-exclusive, non-transferable license, under the Licensed Patents, to make, use, Sell in machine-executable format, offer for Sale in machine-executable format and import Licensed Products. The license conferred pursuant to this Section 3.1 applies only to the extent the structure, features and functions of a Licensed Product are used to practice those BD Software Standards, DVD Software Standards, CD Standards applicable to that Licensed Product, and said license does not extend to any structure, features of functions of a Licensed Product not used to practice the BD Software Standards, DVD Software Standards or CD Standards. No license is granted under this Section 3.1 with respect to Licensed Product that is not made by Licensee Parties or for Licensee Parties pursuant to the "have-made" right set forth in Section 3.3.
- 3.2 Limitation of License. No licenses are granted under this License Agreement for:
- (a) the benefit of any entity other than the Licensee Parties;
 - (b) any product other than the Licensed Products;
 - (c) any intellectual property right other than rights in the Licensed Patents;
 - (d) BD Software used, or configured for use, in connection with devices that are intended for simultaneous use by two or more people (by way of example and not limitation, a

3.3 Have Made Right. The rights granted to Licensee Parties pursuant to Section 3.1 include the right for Licensee Parties to have Licensed Products, other than Bundled BD Software, developed and made by third parties solely for the account of Licensee Parties and provided that the third-party developer does not engage in any action in connection with the Licensed Product that would breach this Agreement if performed by Licensee Parties. Licensee Parties shall not exercise this "have made" right in a manner such that it is a sham for the purpose of effectively sublicensing the Licensed Product to third parties. Except as provided by this paragraph, Licensee Parties are not permitted to authorize third parties to make Licensed Product.

3.4 Essential Patents that Cease to be Essential Patents. In the event that Licensing Company becomes aware that a Patent that was originally listed on the Essential Licensor Patent List was determined by a Patent Expert or a court of competent jurisdiction as no longer qualifying as an Essential Licensor Patent ("Former Essential Patent(s)"), then Licensing Company shall modify the Essential Licensor Patent List accordingly. Upon Licensing Company modifying the Essential Licensor Patent List after such a determination, and provided that Licensee had entered into this License Agreement before the moment of such determination, such Patent will continue to be licensed pursuant to this License Agreement, unless Licensee notifies Licensing Company in writing of its wish that such Patent not be so included. Licensing Company and Licensee further acknowledge and agree that any changes to the Essential Licensor Patent List, as well as a determination that a Patent is a Former Essential Patent, shall not give rise to any adjustment of

the Standard Rate or the royalties payable pursuant to this License Agreement and Licensee shall not be entitled to any refund by virtue of such changes.

3.5 Reproduction. Licensee Parties shall not directly or indirectly authorize any third party, and no license is granted hereunder, to reproduce the Licensed Product for any purpose other than archival purposes unless:

- (a) the copy of Licensed Product to be reproduced is transferred by Licensee Parties to the third party as machine-readable object code and not human-readable source code;
- (b) the third party is not authorized to, and does not, modify the copy of Licensed Product transferred to it;
- (c) the Licensed Product is capable of displaying Licensee Parties' corporate name, or a brand owned by Licensee Parties, to end users based on a reasonable inspection of the Licensed Product (by way of example only and not by limitation, by listing Licensee Parties' corporate name in the "about" or "splash" box displayed by the Licensed Product); and
- (d) the third party is an Authorized Recipient or an entity that makes duplications of the Licensed Product for Licensee Parties without transferring the resulting product to any party other than the Licensee Parties.

For clarity, if one copy of Licensed Product is reproduced from another copy of Licensed Product, each copy shall be considered a separate Licensed Product for the purposes of this License Agreement (by way of example and not limitation, a copy accrues a royalty when it is Sold regardless of whether a royalty was paid for the copy from which it was reproduced).

3.6 Obligation for Accuracy. Licensee Parties shall use commercially reasonable efforts to ensure the accuracy and completeness of all information required to be submitted in connection with this License Agreement.

3.7 Software Pre-Installed on PCs or Bundled with Aftermarket Drives. Licensee and Licensing Company acknowledge that Licensing Company offers a separate *License Agreement for BD-PC Manufacturer* to cover BD Software that is pre-installed on personal computers by personal computer manufacturers and a separate *License Agreement for Manufacturer of Aftermarket BD Drive Bundled with BD-PC Software* to cover BD Software that is bundled with Aftermarket BD-Capable Drives by after-market drive makers (each, a "Separate License Agreement", and collectively, "Separate License Agreements"). If BD Software is covered pursuant to a Separate License Agreement, then the licensing of such software shall be governed by such Separate

License Agreement. Licensing Company further acknowledges that any BD Software provided or Sold by Licensee to a personal computer manufacturer for pre-installation on personal computers or to an after-market drive maker for bundling with Aftermarket BD-Capable Drives shall be neither licensed under, nor authorized by, this License Agreement, except to the extent Licensee exercises the option set forth below. Licensee may, at its option, elect to have BD Software it Sells to any particular after-market drive maker licensed under and authorized by this License Agreement by giving notice to Licensing Company, identifying the after-market drive maker, the Sales to which, it elects to cover. In the event that Licensee makes such an election, all obligations of Licensee under this License Agreement shall apply to such Sales, including, without limitation, the obligations of Section 5 of this License Agreement to report and pay royalties. Licensing Company retains the right to modify or cease offering such Separate License Agreements.

4 REGISTRATION AND RENEWAL FEES

- 4.1 *Payment of Registration Fee.* Licensee shall, within thirty (30) days of the execution of this License Agreement, pay Licensing Company a non-refundable, non-recoupable registration fee of US\$ 25,000 (twenty-five thousand US Dollars). This registration fee covers the initial five-year period of this License Agreement, and not any extension or renewal thereof. Licensee shall not be obligated to pay such registration fee if Licensee or its Affiliate already paid a registration fee of at least \$25,000 to Licensing Company in connection with a substantially identical License Agreement for BD-Software Manufacturer.
- 4.2 *Payment of Renewal Fee.* Licensee shall, within thirty (30) days of each renewal of this License Agreement, pay Licensing Company a non-refundable, non-recoupable renewal fee of US\$ 10,000 (ten thousand US Dollars). This renewal fee covers the five-year period applicable to the current renewal of this License Agreement, and not any extension or further renewal thereof. Licensee shall not be obligated to pay such renewal fee if Licensee or its Affiliate paid a renewal fee of at least \$10,000 to Licensing Company in connection with a renewal of a substantially identical *License Agreement for BD-Software Manufacturer*, for a renewal period extending beyond the date of renewal of this License Agreement.

5 ROYALTIES, REPORTS AND PAYMENTS

- 5.1 *Standard Rate.* Licensee shall pay to Licensing Company a royalty at the Standard Rate for each copy of Licensed Product that is provided directly or indirectly by Licensee or its Affiliate and that (a) is Sold by Licensee or its Affiliate, or (b) Licensee or its Affiliate is aware of being Sold by an

Authorized Recipient, a Retailer or any other third party has Sold (regardless of whether or not Authorized Recipient has actually reported the data from its own sales and the sales of its Retailer to Licensee or its Affiliate). Notwithstanding the foregoing, in respect of Licensee and its Affiliates, there shall be no royalty payable if the copy of the Licensed Product is used for research and development purposes for and on behalf Licensee or its Affiliates. Licensee shall not be obligated to pay Licensing Company a royalty for any copy of Licensed Software for which Licensee or another licensee of One-Blue has already reported and paid the Standard Royalty to Licensing Company. Each copy of Licensed Product reproduced from another Licensed Product shall be considered a separate Licensed Product for the purposes of this Agreement.

5.2 Royalty Offsetting. If Licensee is also a party to a license agreement or covenant not to sue or assert “(Bilateral Agreement””, other than this License Agreement or any other agreement with Licensing Company, wherein one or more of a Licensor's (“Bilateral Licensor”) Licensed Patents that cover a Licensed Product are separately licensed, the Licensee may direct Licensing Company to adjust the royalties payable under this License Agreement (as calculated on the basis of the Standard Rate or discounted Standard Rate to the extent Section 5.8 applies), by deducting therefrom the royalty portion that would otherwise be due to such Bilateral Licensor pursuant to this License Agreement for the applicable Shipments of Licensed Product on account of those Licensed Patents that are separately licensed under the Bilateral Agreement. If given, Licensee shall give such instruction by submitting to Licensing Company a Confirmation of Bilateral Agreement form, a template of which is provided as Appendix B to this License Agreement, duly completed and signed by Licensee and the Bilateral Licensor concerned, to confirm that such Bilateral Agreement has been executed and that the Bilateral Licensor agrees to such adjustment in accordance with the provisions hereof. The Confirmation of Bilateral Agreement form that is submitted to Licensing Company by or for Licensee, and the existence and applicability of the bilateral agreement between the Licensee and the Bilateral Licensor shall constitute confidential information of the Licensee and the Bilateral Licensor.

5.3 Past Use. Except as set forth in subsections (a)-(c) of this Section 5.3, the provisions of Section 5 (Royalties, Reports and Payments) shall apply to each copy of Licensed Product that was provided directly or indirectly by Licensee or its Affiliate(s) and that (a) has been Sold by Licensee or its Affiliate prior to the Effective Date or (b) Licensee or its Affiliate is aware prior to the Effective Date of being Sold by an Authorized Recipient, a Retailer or any other third party has Sold (regardless of whether or not Authorized Recipient has actually reported the data from its own sales and the sales of its Retailer to Licensee or its Affiliate), (hereafter, "Previously-Sold Products") to the same extent such provisions apply to Licensed Product.

- (a) Discount. Provided that Licensee (irrespective of Licensee Affiliates) has entered into this License Agreement by December 31, 2011, and further provided that Licensee Parties are in full compliance with their obligations under this License Agreement as

confirmed by Licensing Company to its knowledge in writing, Licensee Parties will be entitled to a discount of seventy-five percent (75%) of the royalties payable (after giving effect to the offsetting mechanism, if any, set out in Section 5.2) for Licensed Products first Sold prior to March 1, 2009, and a discount of twenty-five percent (25%) of the royalties payable (after giving effect to the offsetting mechanism, if any, set out in Section 5.2) for Licensed Products first Sold from March 1, 2009 through April 1, 2010. In addition, provided that Licensee (irrespective of Licensee Affiliates) has entered into this License Agreement by January 31, 2013, such discount shall apply to Licensed Products that are Bundled BD Software. Such discount shall not apply to any Licensed Products that were Sold by a Licensee Affiliate, or transferred by Licensee Affiliate to another entity for further use or later Sale, before the Licensee Affiliate was an Affiliate of Licensee.

- (b) Release. Upon full payment of the amounts and reports required for Previously-Sold Products, Licensing Company, on behalf of itself and the Licensors, its and their successors and assigns, hereby releases, to the extent of its right to do so, Licensee Parties, their respective successors and assigns, as well as any end-users, distributors, dealers, suppliers, vendors and customers, under any patent infringement arising prior to the Effective Date of this Agreement for which the rights and licenses expressly granted under this Agreement to Licensee Parties would be a complete defense had this Agreement been in effect at the time such patent infringement arose and as if the Previously-Sold Product was made, used, Sold, offered for Sale or imported in compliance with the remaining provisions of this License Agreement. For greater certainty, the release in this Section 5.3(b) does not operate with respect to acquisitions of any sort by Licensee Parties during the Term.
- (c) Reporting.
- (1) Estimated Past Use Report. As a condition precedent to the entry into force of this License Agreement, Licensee shall submit to Licensing Company an Estimated Past Use Report that includes the same information for all Previously-Sold Products as is required for Licensed Products under Section 5.4 (Payment Schedule and Royalty Reporting), provided however, that the country-specific information required by Section 5.4(a), subdivisions (i) through (v), may be omitted.
 - (2) Official Past Use Report. Within sixty (60) days after the Effective Date, Licensee shall submit to Licensing Company an Official Past Use Report that includes all the same information for all Previously-Sold Products as is required for Licensed Products under Section 5.4 (Payment Schedule and

Royalty Reporting); provided, however, that Licensee may use commercially reasonable efforts to estimate such information if Licensee cannot reasonably obtain more reliable information. Licensee shall also provide an explanation of any material differences between the Official Past Use Report and the Estimated Past Use Report.

- (3) No Waiver. Notwithstanding that Licensing Company may execute the License Agreement with knowledge of the Estimated Past Use Report and/or may invoice Licensee based on the Official Past Use Report, it shall not be considered that Licensing Company has accepted the Estimated Past Use Report and/or the Official Past Use Report, or waived any of its rights with respect to past use, including but not limited to the right to request an audit statement pursuant to Section 5.6 and the right to audit the books and records of Licensee set forth in Section 6.1(b).

5.4 Payment Schedule and Royalty Reporting. Within thirty (30) days after the end of each Quarter during the term of this License Agreement, Licensee shall submit to Licensing Company (even in the event that no royalties are due) a Royalty Reporting Form signed by a duly authorized officer on behalf of Licensee, setting forth with respect to the preceding Quarterly period and with respect to all Licensed Product for which a royalty must be paid to Licensing Company:

- (a) the type of Licensed Product (by way of example, a description sufficient to determine whether a Licensed Product is capable of any BD Recording Functions and a BD Only Plug-in);
- (b) the quantity of Licensed Product by type;
- (c) the brand name under which the Licensed Product was sold to end-users (if available);
- (d) to the extent known to Licensee or a Licensee Affiliate, the country where the majority of the code for the relevant BD Software was primarily developed and, to the extent such information is not known, the country from which the Licensed Product was first transferred by Licensee or a Licensee Affiliate to a non-Affiliated entity;
- (e) to the extent known to Licensee or a Licensee Affiliate, the country in which the Licensed Products was or will ultimately be Sold to end-users and, to the extent such information is not known, the country to which the Licensed Product was first transferred by Licensee or a Licensee Affiliate to a non-Affiliated entity;

- (f) the quantities of Licensed Products, by type, associated with each country identified in connection with subsections (d) through (f); and
- (g) a computation of the royalties due under this License Agreement prior to the royalty offsetting of Section 5.2.

5.5 *Invoicing and Payment Due Date.* Within thirty (30) days after the receipt of the Royalty Reporting Form, Licensing Company shall invoice Licensee for royalties that have accrued in the previous calendar Quarter or earlier (except in the case of Previously-Sold Products, Licensing Company shall send an invoice to the Licensee for the royalties that have accrued for such products within thirty (30) days after receipt of the Official Past Use Report referenced in Section 5.3(c)(2)) Except as otherwise provided in this License Agreement Licensee shall pay to Licensing Company the sum stated to be due in each such invoice no later than forty-five (45) days from the date of such invoice.

Notwithstanding anything to the contrary, during the twelve-month period after July 1, 2011, the following exceptions with respect to invoicing shall apply, provided that Licensee directs Licensing Company to adjust its royalties payable pursuant to Section 5.2:

- (i) *Past Use Royalties.* Licensing Company shall invoice Licensee within thirty (30) days after January 1, 2012 for any report delivered to Licensing Company before January 1, 2012 pursuant to Section 5.3 (Past Use) based on the patents listed on the Commercially Essential Patent List and Technically Essential Patent List by Licensing Company on its website as of January 1, 2012;
- (ii) *Standard Rate. Per-Batch License Royalties.* Licensing Company shall invoice Licensee within thirty (30) days after December 31, 2011 for royalties that have accrued up to December 31, 2011 pursuant to Section 5.1 (Standard Rate) based on the patents listed on the Commercially Essential Patent List and Technically Essential Patent List by Licensing Company on its website as of January 1, 2012; and
- (iii) *One-time Adjustment.* Licensing Company shall conduct a one-time adjustment of all royalties invoiced prior to July 1, 2012 based on the patents listed on the Commercially Essential Patent List and Technically Essential Patent List by Licensing Company on its website as of July 1, 2012.

5.6 *Audit Statement to Confirm Official Past Use Report.* If Licensing Company reasonably suspects that Licensee has submitted an inaccurate Official Past Use Report of Previously-Sold Products pursuant to Section 5.3(c)(2), Licensing Company may request Licensee to submit to Licensing Company, within sixty (60) days after the notice by Licensing Company informing Licensee of the reasonable suspicion, an audit statement prepared by its external independent auditors

confirming that the Official Past Use Report of Previously-Sold Products provided by Licensee to Licensing Company under Section 5.3(c)(2), is true, accurate and complete in all material respects. The auditor and audit statement must meet the requirements set out in Appendix D (Audit Guide). Licensing Company shall reimburse Licensee for the cost of such audit, to the extent the cost is customary and reasonable, if Licensee's external independent auditor certifies that the total discrepancy or error by way of underreporting of quantities is less than five percent (5%) of the quantities set forth in the Official Past Use Report of Previously-Sold Products.

- 5.7 Payments in U.S. Dollars. All payments to be made by Licensee to Licensing Company under this License Agreement shall be made in US Dollars.
- 5.8 Wire Information for Payments. 270 Park Avenue
New York, NY 10017

SWIFTCODE: CHASUS33 (International Customers Only)

ABA Number: 021000021

or such other bank account as Licensing Company may designate in writing from time to time.

- 5.9 Stamp Duties, Taxes and Other Levies. All stamp duties, taxes (including but not limited to business taxes, values added taxes, income taxes) and other similar levies arising from or in connection with this License Agreement shall be borne by Licensee. If the government of any country imposes any income taxes to be withheld from payments made by Licensee under this License Agreement, and requires Licensee to withhold such tax from such payments, Licensee may deduct such tax from such payments. In such event, Licensee shall promptly provide Licensing Company with all tax receipts issued by the relevant tax authorities that Licensing Company may require to enable Licensing Company to document, if necessary, its compliance with tax obligations in any country. If such tax receipts are not provided promptly, Licensing Company reserves the right to treat the un-documented deductions as unpaid royalties due which will become subject to the provisions of this License Agreement. Licensee shall inform Licensing

Company if the withholding tax rates on an invoice issued by Licensing Company are incorrect. Licensee shall inform Licensing Company of such error prior to paying the subject invoice.

- 5.10 Activated Trial/Disabled Software. For the purposes of this Section 5, Trial/Disabled Software that is first activated or enabled by Licensee Parties will be considered, and will only be considered, Licensed Product that is Sold by Licensee Parties the moment it is first activated or enabled by Licensee Parties. For the purposes of this Section 5, Trial/Disabled Software that is first activated or enabled by a third party will be considered, and will only be considered, Licensed Product that is Sold by Licensee Parties on the date that a Licensee Party was informed of such activation or enablement. However, no royalty or Royalty Reporting Form shall be due under this License Agreement with respect to activated or enabled Trial/Disabled Software if a Licensee Party or another licensee of One-Blue has reported and paid a royalty to Licensing Company for such software (or such a royalty was expressly waived) pursuant to and in compliance with a separate agreement with Licensing Company (by way of example and not limitation, a third-party PC maker timely paid Licensing Company a royalty after the activation pursuant to a separate agreement).
- 5.11 Increased Functionality. If Licensee, Licensee Affiliate, Authorized Recipient or any third party causes or permits a Licensed Product to be capable of additional functionality after it is first Sold, and such additional functionality would have required a royalty greater than the royalty owed for the Licensed Product upon its first Sale, then in addition to the royalty owed Licensee shall also pay Licensing Company the difference between the greater royalty and the royalty already owed. Licensee shall separately identify the Licensed Product with additional functionality, and the circumstances relating to the additional functionality, in the Royalty Reporting Form for the monthly period in which the Licensed Product became capable of additional functionality.
- 5.12 Updates/Replacements. Notwithstanding Section 5.10, no royalty shall be due under this Agreement for a software update to Licensed Product that was already Sold to an end user, or a replacement for such Licensed Product, that is provided to an end user if (a) the update or replacement is intended to replace some or all of the functionality of the Licensed Product that was already Sold to the end user and none of Licensee, Licensee Affiliate or their direct or indirect customers receive any additional consideration from any entity (by way of example and not limitation, the end user or a third-party PC manufacturer) for the update or replacement or (b) the update or replacement does not contain any functionality described in the BD Software Standards, DVD Software Standards or CD Standards.
- 5.13 Interest Due for Late Payments. Any payment that becomes due under this License Agreement and that is not made in full when due, accrues interest at the rate of one percent (1%) per month (or part thereof) or at the maximum rate permitted by law, whichever is lower.

- (c) Licensee Parties' compliance with other provisions of this License Agreement (provided, however, that Licensing Company has a good faith belief that a Licensee Party is in breach of such other provisions),

Licensee shall permit an independent certified public auditor selected by Licensing Company ("Certified Auditor") to inspect all books and records of Licensee Parties in accordance with this Section 6 upon notice from Licensing Company requiring such inspection. Such audit shall be performed under confidentiality obligations materially similar to those contained in this Agreement. The Certified Auditor shall be (i) a certified public auditor, chartered accountant or registered accountant (as these terms are generally known in the United States, the United Kingdom and The Netherlands respectively) or holding an equivalent professional qualification in the country in which the auditor practices, (ii) a member of a well-respected firm, preferably one of KPMG, PricewaterhouseCoopers, Deloitte Touche Tohmatsu and Ernst & Young (or any of their successors), or (iii) a member of the American Institute of Certified Public Accountants (AICPA), the Institute of Chartered Accountants in England & Wales (ICAEW), or Koninklijk Nederlands Instituut van Register accountants (NIVRA) (whichever of these associations governs accounting in the country in which the auditor practices), or a member of a professional body of similar standing where this is not practicable.

6.2 Requirements in the Event and in Preparation for Audits. Licensee Parties shall maintain complete and accurate books and records relating to Licensee's obligations under this License Agreement and shall keep such books and records available for inspection by a Certified Auditor for a period of three (3) years following each Sale to which the books or records relate. Licensee shall ensure that a full copy of such books and records remains available for inspection by the Certified Auditor at all times during normal business hours. Any inspection under this Section 6 shall be initiated by Licensing Company no more than once per calendar year and shall be conducted by the Certified Auditor. Licensing Company shall give Licensee notice of such inspection at least seven (7) business days prior to the inspection. Licensee shall promptly and fully co-operate and provide access to its books and records and provide all assistance that Certified Auditor may reasonably

require in connection with such inspection. Licensee shall allow the Certified Auditors (if such Certified Auditor determines it to be reasonably necessary) to make copies of all documents, and to take such copies from Licensee Parties' premises (or any other premises at which the documents are held by Licensee) to enable the Certified Auditor to prepare and support its audit report. The Certified Auditor shall not provide Licensing Company with any information obtained from Licensee Parties in connection with such audit unless the Licensee Party was obligated to provide such information to Licensing Company pursuant to this License Agreement (excluding this Section 6) or the provision of such information to Licensing Company is reasonably necessary in order for the Certified Auditor to inform Licensing Company of an actual or potential breach.

- 6.3 Costs of Audit. The inspection referred to in this Section 6 shall be conducted at Licensing Company's own expense, except that such expense shall be borne by Licensee where the inspection reveals that:
- (a) a Licensee Party has failed to comply with its obligations under Section 6.2; or
 - (b) the Certified Auditor certifies that there is a discrepancy or error by way of underpayment of five percent (5%) of the monies actually due during the period under inspection.
- 6.4 Effect of Underpayment. If the inspection determines that an underpayment of the monies actually due occurred during the period under inspection, Licensee shall pay the amount of the underpayment plus interest calculated in accordance with the provisions of Section 5.12.
- 6.5 Payment of Audit Does Not Prejudice Other Rights. Payment of the cost of inspection and of additional royalties pursuant to this Section 6 shall be without prejudice to any other claim or remedy that Licensing Company may have under this License Agreement, including, without limitation, Licensing Company's right to terminate this License Agreement, or under any applicable law.
- 6.6 Audit of Authorized Recipient. Upon request by Licensing Company and the fulfillment of all the conditions listed below, Licensee shall instruct a registered accountant to conduct an inspection of an Authorized Recipient and disclose all the details of such inspection to Licensing Company:
- (a) Licensing Company has recently audited a Licensee Party and has articulated to Licensee that it has a suspicion that the Authorized Recipient has underreported a quantity of Licensed Products Sold by the Authorized Recipient;
 - (b) Licensee has an audit right in its written agreement with such Authorized Recipient (and Licensee shall use best efforts to incorporate an audit right for its benefit in all of

its newly concluded agreements – after the Effective Date - with Authorized Recipients)

- (c) Licensing Company has not requested Licensee to conduct similar audit against any Authorized Recipient in the past twelve months; and
- (d) Authorized Recipient has accumulated certain unit of Licensed Product sales; which Licensing Company reasonably believes to be substantial in the year previous to the year in which the audit is required to take place.

Prior to the start of such audit, Licensee may agree with Licensing Company that Licensing Company will bear the expenses of the audit regardless of the outcome of such an audit and if so agreed by Licensing Company, Licensee agrees to forfeit all proceeds that would have normally been the result of the audit for Licensee (including full royalties payable by the Authorized Recipient to Licensee per product for all underreported quantities of products) and these will be owed to Licensing Company. Licensee further agrees to provide full access to all audit reports in connection with the audit.

If Licensing Company does not agree to bear the costs of the audit as described in the foregoing paragraph, Licensing Company shall bear the expense incurred by an independent accountant conducting such an inspection in a manner that it shall bear (1) the expenses for the audit, if the accountant determined that the discrepancy or error (if any) of the quantity of Sold Licensed Product reported by the Authorized Recipient to Licensee was less than five percent (5%) or (2) the difference between the audit expenses and the actual monies recovered by Licensee as a result from the audit, if the discrepancy or error was found to be greater than five percent (5%) and the actual monies recovered by Licensee as a result from the audit was less than the expenses of the audit.

7 RAND GRANT-BACK

- 7.1 *Obligation to Grant-Back Under RAND Terms.* Licensee and its Affiliates shall not unreasonably refuse to grant to qualified entities (defined below), for products that are configured in compliance with the BD Software Standards (“BD Products”), non-exclusive, non-transferable rights (by way of license or otherwise), on fair, reasonable, non-discriminatory conditions, to manufacture, transfer, sell, import or otherwise dispose of BD Products under any and all Grant-Back Essential Patents. “Grant-Back Essential Patents” means present and future Patents that contain one or more claims which are (or which were, if Former Essential Patents) necessarily infringed, or necessary as a practical matter on the basis that there are no economically viable substitutes, to implement the BD Software Standards, the DVD Software Standards or the CD Standards, for which Licensee or its Affiliates have during the Term, or may acquire during the Term, the right to grant licenses.

For the purposes of this Section 7.1 only, each Licensor's per-Patent share of the royalties paid per Licensed Product in accordance with this License Agreement shall be deemed to be a fair, reasonable and non-discriminatory royalty rate for the grant (by way of license or otherwise) by Licensee and its Affiliates under its Grant-Back Essential Patents. For the purposes of this paragraph, "qualified entities" means (a) third parties and their respective Affiliates that have entered or will enter into a registration or license agreement with Licensing Company under one or more of the Licensed Patents (by way of example, a "*License Agreement for BD Software Manufacturer*") and (b) Licensors. Notwithstanding any provision of this paragraph to the contrary, Licensee (or its Affiliates) shall not be required to grant a third party a license under a Grant-Back Essential Patent if such a license would require Licensee (or its Affiliates) to pay compensation to a third party other than the Affiliates, agents or employees of Licensee (or its Affiliates).

- 7.2 Consideration for RAND Grant-Back. The undertaking given by Licensee and its Affiliates in Section 7.1 is given in consideration of the benefits set forth in this License Agreement, including the benefit of substantively equivalent undertakings given by other entities under a "*License Agreement for BD Software Manufacturer*" or under other registration or license agreements with Licensing Company under one or more of the Licensed Patents that include undertakings substantively equivalent to the undertaking in Section 7.1, and without prejudice to the provisions of Section 13 (Term and Termination) of this License Agreement.
- 7.3 Term of the Grant-Back License. Any license made available under Section 7.1 shall be available for a period ending on the expiry date of the last subsisting Grant-Back Essential Patent. For the avoidance of doubt, where a Patent for which a license has been granted pursuant to Section 7.1 has expired, it shall be removed from such license, which shall continue to run only in relation to still subsisting Patent(s).
- 7.4 Transfer of Grant-Back Essential Patents. If Licensee (or its Affiliates) assigns, exclusively licenses, sells or transfers a Grant-Back Essential Patent to another entity, Licensee (or such Affiliates) shall, in the instrument giving effect to such assignment, exclusive license, sale or transfer, include provisions which ensure that the assignee, exclusive licensee, purchaser or transferee of such Grant-Back Essential Patents is bound by equivalent obligations with respect to such Grant-Back Essential Patents as is Licensee (or such Affiliates) pursuant to this Section 7. Licensee acknowledges that the obligation to license Grant-Back Essential Patents on fair, reasonable, non-discriminatory conditions in accordance with Section 7.1 runs with such Patents and thus binds any subsequent owners of such Patents.
- 7.5 Grant-Back and Affiliates. If an entity that was an Affiliate of a Licensee becomes no longer Affiliated with the Licensee, the entity's obligations under Section 7 shall continue with respect to

any Patent that the entity had or acquired between the Effective Date and the moment the entity became no longer Affiliated with the Licensee.

8 NO WARRANTY, INDEMNITY

- 8.1 No Representation or Warranty as to Standards. Licensing Company makes no representation or warranty as to the completeness or accuracy of the BD Standards, DVD Standards or CD Standards, nor as to the ability of Licensee to achieve interoperability of Licensed Product through the use of such information.
- 8.2 Indemnification as to Licensed Products. Licensee acknowledges for itself and its Affiliates, and agrees that third parties may own intellectual property rights relating to Licensed Product. Licensing Company makes no representation or warranty that the manufacture, importation, use, offering for Sale, Sale or other disposal of Licensed Product does not infringe or will not infringe any intellectual property right of any third party. Licensee shall indemnify and hold harmless Licensing Company from and against any and all third-party claims made in connection with Licensed Product manufactured, acquired, used, Sold, offered for Sale or otherwise disposed of by Licensee.
- 8.3 Waiver. Licensee, on behalf of itself and its Affiliates, hereby waives all rights and hereby forever releases from liability, or in respect of matters that cannot be released from liability, shall indemnify and hold harmless, Licensing Company and Licensors from and against any and all liabilities as may arise in relation to claims made by Licensee Parties, or customers of Licensee Parties, relating to Licensed Products being delayed or detained at customs, seized or destroyed.
- 8.4 Limitation of Liability. In no event shall Licensing Company be liable to Licensee Parties under any cause of action (other than intentional breach or liabilities arising under Section 6.3) arising under or related to this License Agreement for any amount greater than US\$20,000 (twenty-thousand US Dollars).
- 8.5 Notwithstanding anything to the contrary in this License Agreement, Licensing Company makes no representation or warranty about the validity or enforceability of any of the Licensed Patents and specifically excludes and disclaims any liability for any damages that a Licensee Party may suffer under any cause of action due to the invalidity or unenforceability of any of the Licensed Patents.
- 8.6 Representations and Warranties. Licensing Company and Licensee each represent and warrant that: (a) it is a duly organized and validly existing legal entity; (b) it has all requisite power and

authority to execute this License Agreement and to perform its obligations hereunder; (c) this License Agreement has been duly executed by an officer or representative of such party authorized to act on its behalf; and (d) its obligations under this License Agreement do not conflict with its bylaws, certificate of incorporation or equivalent charter documents.

- 8.7 *No Special Damages.* TO THE GREATEST EXTENT PERMITTED BY LAW, LICENSING COMPANY SHALL NOT BE LIABLE FOR ANY INDIRECT, CONSEQUENTIAL, PUNITIVE OR SPECIAL DAMAGES, INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOST PROFITS OR BUSINESS INTERRUPTION, RELATING TO THE LICENSED PRODUCTS OR ARISING OUT OF THIS LICENSE AGREEMENT, EVEN IF LICENSING COMPANY HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. EXCLUDING THE EXPRESS WARRANTIES SET FORTH HEREIN, LICENSING COMPANY MAKES NO EXPRESS OR IMPLIED WARRANTIES.

9 CONFIDENTIALITY

- 9.1 Licensing Company shall, during the term of this License Agreement and for a period of five (5) years thereafter, not disclose to any third party or use any confidential information obtained in connection with this License Agreement for any purpose other than:
- (a) if required by any judicial or governmental request, requirement or order, or by operation of law, provided, however, that Licensing Company shall provide Licensee with notice of such request, requirement or order and, if available, assist Licensee (at Licensee's expense) with obtaining a protective order against such disclosure;
 - (b) to disclose the information under an obligation of confidence to an auditor for any purpose contemplated by this License Agreement;
 - (c) to disclose the information under an obligation of confidence to a subcontractor of the Licensing Company; or
 - (d) to enforce Licensing Company's rights under this License Agreement in the event of a breach by Licensee. The disclosure of confidential information pursuant to this subsection "(d)" may include disclosure under an obligation of confidence to Licensors in order for Licensing Company to: (i) inform Licensors of a Licensee Party's breach of this License Agreement or Licensing Company's plan to terminate this License Agreement due to such a breach; or (ii) seek Licensors' approval to enforce this License Agreement using legal or governmental institution(s). Notwithstanding the foregoing,

in no event shall Licensing Company disclose Licensee Parties' competitively sensitive information to Licensors.

9.2 Circumstances When Not Obligated to Keep Information Confidential. The obligations of Licensing Company in Section 9.1 shall not apply to the extent that the Licensing Company can prove, by written evidence, that such information:

- (a) has, after the date of this License Agreement, been published or otherwise generally made available to the public, except in consequence of a willful or negligent act or omission by Licensing Company in breach of its confidentiality obligations under this Section 9;
- (b) has been made available to Licensing Company by a third party who is entitled to divulge such information and who is not under any obligation of confidentiality in respect of such information to Licensee or which has been disclosed under an express statement from Licensee or a Licensee Affiliate that it is not confidential;
- (c) has been independently developed by Licensing Company other than in the course of the exercise of Licensing Company's rights under this License Agreement or the implementation of this License Agreement; or
- (d) is information already known to Licensing Company before its receipt from the disclosing party and such information was not protected by confidentiality protections.

9.3 This License Agreement Is Not Confidential. For the avoidance of doubt, the contents of this License Agreement are not subject to any confidentiality obligation.

10 SYSTEM CHANGES

10.1 Licensing Company May Make Changes to Licensing System. Licensee acknowledges for itself and its Affiliates, and agrees that the integrity of Licensing Company's licensing system is important to the equitable treatment of manufacturers of Licensed Product and to open and fair competition in the market for Licensed Product and the market for licensing intellectual property rights relevant to Licensed Product. Accordingly, Licensee acknowledges for itself and its Affiliates, and agrees that Licensing Company may, in its sole discretion which Licensing Company shall not exercise unreasonably or within an unreasonably short period of time revise the Standard Rate.

Licensee acknowledges for itself and its Affiliates, and agrees that any such revision or other change as set out in a notice shall be deemed to be incorporated into this License Agreement upon the effective date of the change. Other than provisions related to the Standard Rate, revisions and changes in accordance with this Section 10.1 shall not conflict with any other provisions of this License Agreement.

10.2 Licensee May Terminate This License Agreement in the Event of System Change. Licensee shall be entitled to refuse to comply with any System Change, including pre-authorized increases in the Standard Rate, by providing Licensing Company with timely notice of such refusal. In the event Licensee provides such notice, this License Agreement will automatically terminate if the refusal relates to a pre-authorized increase in the Standard Rate. An increase in the Standard Rate shall be considered "pre-authorized" if it occurs in conjunction with (a) a substantial increase in the number of patents listed on the Essential Licensor Patent List because of (1) the addition of one or more entities to the list of Licensors or (2) the acquisition of patents by an existing Licensor, or (b) a modification or update by the Blu-ray Disc Association to the standard specifications listed in the definition of "BD Standard," which results in a material addition of technology covered by the definition. Such notice of refusal shall be considered "timely" if it is provided (i) one or more days before the System Change takes effect, in which case this License Agreement shall automatically terminate the day before such System Change takes effect, or (ii) thirty (30) or less days after the System Change takes effect, in which case this License Agreement shall automatically terminate immediately upon the provision of such notice and Licensee shall not be considered to have breached this Agreement merely because it failed to comply with the System Change.

10.3 Licensing Company Agrees Not to Make Certain Changes. Licensing Company undertakes that it will not:

- (a) act unreasonably in making any System Change; or
- (b) restrict the scope of any license that has been granted under this License Agreement.

11 ESSENTIAL PATENTS

11.1 Objection to Essentiality. Should Licensee object to the inclusion or exclusion of any Patent owned by Licensors as a Technically Essential Patent or a Commercially Essential Patent in or from the Essential Licensor Patent List based on a contention set forth in a Notice of Challenge as defined in Appendix C of this License Agreement, such Patent shall be submitted to a Patent Expert to evaluate the subject Patent and resolve the contention. The fees and expenses of the Patent Expert for such evaluation shall be borne by the Licensee pursuant to Appendix C of this License

Agreement. In the event that the Patent Expert determines that such Patent is or is not a Technically Essential Patent or a Commercially Essential Patent, such Patent shall be deleted from or added to the Essential Licensor Patent List as appropriate until such time, if ever, that the Patent Expert's decision is overturned by a court of competent jurisdiction.

- 11.2 Essential Licensor Patent List May Be Subject to Revisions and Royalty Rates Will Not Change Due to Such Revisions. Licensing Company and Licensee acknowledge and agree that the Essential Licensor Patent List may be subject to continual revision. Licensing Company and Licensee further acknowledge and agree that any changes to the Essential Licensor Patent List, as well as a determination that a Patent is a Former Essential Patent, shall not give rise to any adjustment of the Standard Rate or the royalties payable pursuant to this License Agreement and Licensee shall not be entitled to any refund by virtue of such changes.
- 11.3 Revocation of Patents from License. “Licensee-Related Entity” means (a) Licensee; (b) an Affiliate of Licensee; or (c) a minority shareholder having thirty percent (30%) ownership or more in Licensee or its Affiliates which manufactures or Sells any BD Product(s) or an Affiliate of such minority shareholder which manufactures or Sells any BD Product(s). A “Licensee Essential Patent” is a Patent that contains one or more claims which are (or which were, if Former Essential Patent) necessary (where “necessary” for the purposes of this paragraph only means that the claim is either necessarily infringed, or necessary as a practical matter on the basis that there are no economically viable substitutes, to implement the relevant BD Software Standards, DVD Software Standards or CD Standards. Licensee acknowledges that in the event a Licensee-Related Entity has brought a claim for infringement of a Licensee Essential Patent in a lawsuit or other proceeding against one or more of the Licensors, or that a Licensee-Related Entity has refused to grant a Licensor a license under a Licensee Essential Patent on reasonable and non-discriminatory conditions, such Licensor’s Licensed Patents may be removed from any license granted by Licensing Company to such Licensee or its Licensee Affiliate. In the event that a Licensee-Related Entity bringing such a claim does not agree that its Patent contains one or more necessary claims, such Patent shall be promptly submitted to a Patent Expert and Licensing Company’s right to revoke the Licensor’s Patents shall be suspended until the Patent Expert determines that such Patent contains a necessary claim. The fees of the Patent Expert for such evaluation shall be borne by the Licensee unless the Patent Expert determines that such Patent does not contain one or more necessary claims, in which case the fees shall be borne by the relevant Licensor(s) contending that such Patent does contain one or more necessary claims.

12 NO ASSIGNMENT

- 12.1 Licensee's Assignment. This License Agreement shall inure to the benefit of and be binding upon each of the parties hereto and their respective successors and permitted assignees. It may not be assigned by Licensee in whole or in part except with the prior consent of Licensing Company, which consent shall not be unreasonably withheld when assigned in whole to an Affiliate of Licensee, given in writing and executed by a duly authorized representative of Licensing Company.
- 12.2 Licensing Company's Assignment. Licensing Company may assign this License Agreement in whole to a successor of Licensing Company after providing Licensee with at least fourteen (14) days' notice.

13 TERM AND TERMINATION

- 13.1 Term. This License Agreement shall commence on the Effective Date. Unless and until terminated earlier in accordance with the provisions of this Section 13, this License Agreement shall remain in force for a period of five (5) years from the Effective Date or until the expiry date of the last Licensed Patent whichever comes first. This License Agreement shall automatically extend for successive five (5) year periods, unless (a) Licensee notifies Licensing Company of its wish not to extend the Term no later than forty-five (45) days prior to the then-applicable end of the then-current five (5) year period, in which case this License Agreement shall terminate at the end of the then-current five-year period or (b) this License Agreement is terminated prior to the expiration of the then-current five-year period.
- 13.2 Licensee May Terminate Without Cause. Notwithstanding Section 13.1, Licensee may terminate this License Agreement without cause upon giving Licensing Company forty-five (45) days' notice of its intention to terminate.
- 13.3 Either Party May Terminate If Other Party Breaches. Without prejudice to the provisions of Section 13.4 through Section 13.9, either party may terminate this License Agreement if the other party (or any Licensee Affiliate) fails to perform any obligation under this License Agreement and such failure is not remedied within thirty (30) days after receipt of a notice specifying the nature of such failure and requiring it to be remedied. Such right of termination shall be without prejudice to any other remedy to which the non-defaulting party may be lawfully entitled and all such remedies shall be cumulative.

- 13.4 Licensing Company May Terminate. Licensing Company may terminate this License Agreement if:
- (a) subject to applicable laws, a creditor or other claimant takes possession of, or a receiver, administrator or similar officer is appointed over, any of the assets of Licensee or a Licensee Affiliate, or Licensee or a Licensee Affiliate makes any voluntary arrangement with its creditors or becomes subject to any court or administration order pursuant to any bankruptcy or insolvency law; or
 - (b) any of Licensee's or a Licensee Affiliate's representations in or under this License Agreement proves to be false or are breached in any manner; or
 - (c) a notice has been issued by Licensing Company specifying non-payment or late payment of royalties, and Licensee does not remedy such non-payment or late payment within thirty (30) days of such notice being issued.
- 13.5 Notice of Termination. In each instance where Licensing Company has a right to terminate pursuant to Section 13.4, Licensing Company may only exercise such termination right by giving notice to Licensee specifying the reason for such termination. Any termination so effected shall be effective immediately upon such notice.
- 13.6 Payments Due Notwithstanding Termination. Upon termination of this License Agreement by Licensing Company for any reason pursuant to Sections 13.3 or 13.4, any and all amounts outstanding under this License Agreement shall become immediately due and payable. Rights already accrued shall survive termination.
- 13.7 Survival. All acknowledgements by Licensee and Licensee Affiliate under this License Agreement, and the following provisions of this License Agreement, shall survive the expiry or termination of this License Agreement: Sections 1, 2, 5, 6, 7, 8, 9, 13.6 and 13.8 of this License Agreement shall survive the expiry or termination of this License Agreement for one year.
- 13.8 Reporting of Stock Following Termination. Within thirty (30) days following the termination of this License Agreement, Licensee shall submit to Licensing Company a report certified by its external auditors (i) specifying the number of BD Software owned or controlled by Licensee, Licensee Affiliates or its Authorized Recipients that reside on a physical media intended for distribution to other entities and remain in stock at such date of termination and (ii) identifying the nature and location of all warehouses or other storage facilities at which such media are stored. The rights and obligations of this License Agreement shall continue to apply to BD Software on such media after termination of this License Agreement until (a) no such products remain in stock, (b) the date occurring thirty (30) days after the termination of this License Agreement if this

License Agreement has been terminated by Licensing Company in accordance with Section 13.3, or (c) the date occurring ninety (90) days from the termination of this License Agreement if this License Agreement has not been terminated by Licensing Company in accordance with Section 13.3, whichever occurs earliest. The obligations of Licensee in this Section 13.8 shall not apply to BD Software: (i) that remains under Licensee's or Licensee Affiliate's control and for which royalties have become due in accordance with the provisions of this License Agreement or (ii) BD Software that were stored on a physical media in, and remain in, a country where no Licensed Patents subsist.

- 13.9 Termination Upon All Patents Expiring or Non-Infringement. Upon (i) the expiration of the last to expire Essential Licensor Patent; or (ii) the final adjudication by a court of competent jurisdiction of invalidity or unenforceability of the last of the unexpired Licensed Patents, from which adjudication no appeal is taken or allowed; or (iii) the issuance of a written opinion by a Patent Expert concluding that a the last subsisting Licensor's Patent made available by this License Agreement does not qualify as a Licensed Patent, this License Agreement shall automatically terminate.

14 MISCELLANEOUS

The service of any process and any other documents connected with any proceedings in connection with this Section 16.14 will be deemed to have been validly served on a party if they are served by mail to the addresses indicated in Section 14.4 or by any other method of service authorized by law applicable to the jurisdiction where service is made, and service shall be deemed to have been completed upon receipt by the party being served.

Licensee irrevocably waives any rights it may have to object to the jurisdiction, process and venue of any such court and to the effectiveness, execution and enforcement of any order or judgment (including, but not limited to, a default judgment) of any such court in relation to this License Agreement, to the maximum extent permitted by the law of any jurisdiction, or to the laws which might be claimed to be applicable regarding the effectiveness, enforcement or execution of such order or judgment.

14.14 Arbitration Solely for Disputes Concerning Jurisdiction. The parties acknowledge and agree that any effort to defeat or circumvent the appropriate jurisdiction or jurisdictions for disputes as set out in Section 14.13 are to be dealt with expeditiously and accordingly if:

- (a) a Licensee Party refers a dispute to any court other than the courts specified in Section 14.13 applicable to when the Country of Domicile is not the People's Republic of China and Licensing Company alleges that the Licensee Party has done so in breach of Section 14.13; and
- (b) a dispute arises between the parties as to
 - (i) whether a Licensee Party has referred a dispute to a court (other than the courts specified in Section 14.13 applicable to when the Country of Domicile is not the People's Republic of China) that, under Section 14.13, lacks jurisdiction; or
 - (ii) the appropriate remedy by way of injunction and/or damages or otherwise due to Licensing Company from a Licensee Party arising from such breach,

Licensing Company may refer the dispute under this Section 14.14 (b) to arbitration by giving to Licensee a notice, including a reference to this Section 14.14, specifying the dispute that Licensing Company has referred to arbitration. The arbitration shall be conducted by one arbitrator appointed by the American Arbitration Association at Licensing Company's request. The arbitrator shall be a lawyer qualified under the laws of, and engaged in private practice in, the State of New York, United States of America. Before his appointment he shall have given an assurance (either on oath or binding as a matter of professional conduct) to discharge the office of arbitrator impartially. The arbitration shall be conducted in the English language in New York, New York, the United States of America. If the arbitrator dies, resigns, refuses to arbitrate or becomes incapable of arbitrating, Licensing Company shall request the arbitrator to appoint a new arbitrator. If arbitration had already commenced prior to the new arbitrator being appointed, it shall continue as if the new arbitrator had been acting from the beginning. The arbitrator shall use his/her best endeavors to issue a final award within twenty (20) days of his/her appointment. Procedural matters not specified in this Section 14.14, including costs of the arbitration, shall be determined by the arbitrator. Neither party may apply to a Court to determine any question of law arising in the course of, or otherwise in relation to, the arbitration, or appeal to a Court on a question of law relating to an award.

APPENDIX C

PAYMENT OF PATENT EXPERT FEES

Licensee shall pay the fees and expenses of the Patent Expert for the evaluation of the subject Patent, in the following cases:

1. Licensee requests Patent Expert to evaluate a Patent listed on the Essential Licensor Patent List to determine whether the Patent qualifies as either a Technically Essential Patent or a Commercially Essential Patent, and the Patent Expert determines the Patent to qualify as either a Technically Essential Patent or a Commercially Essential Patent; and
2. Licensee submits a “Notification of Challenge” (as defined hereinafter) regarding the subject Patent.

“Notification of Challenge” means a Licensee’s document to be submitted to the Licensing Company to indicate its objection and contention pursuant to Section 11.1 of this License Agreement to the inclusion or exclusion of any Patent owned by Licensors as a Technically Essential Patent or a Commercially Essential Patent in or from the Essential Licensor Patent List, and which explains the Licensee’s contention in sufficient detail to enable a Patent Expert to evaluate the subject Patent and resolve the contention. If the objection relates to Commercially Essential Patent(s), the contention shall explain why the Licensee believes in good faith that as a practical matter there is (in the case of objection to inclusion of a Patent on the Essential Licensor Patent List) or there is not (in the case of objection to exclusion of a Patent from the Essential Licensor Patent List) an economically viable substitute to implement the relevant BD Standards, the DVD Standards or the CD Standards to which the Patent pertains.

This Audit Guide lays down the conditions under which audits are to be performed and audit statements generated by Licensee's external auditors on the Official Past Use Report pursuant to Section 5.3(c)(2), respectively, of the "*License Agreement for BD Software Manufacturer*" between Licensee and Licensing Company. This Audit Guide may be amended by Licensing Company from time to time.

1. Auditor's Qualifications

The auditor appointed by Licensee to issue an audit statement on the Official Past Use Report shall, where Licensee appoints an auditor on a regular basis to issue an auditor's opinion on the financial statements of Licensee, be the same auditor, unless reasonable explanation to the contrary; and, in any event, the auditor shall be:

- (a) a certified public auditor, chartered accountant or registered accountant (as these terms are generally known in the United States, the United Kingdom and The Netherlands respectively) or holding an equivalent professional qualification in the country in which the auditor practices;
- (b) a member of a well-respected firm, preferably one of KPMG, PricewaterhouseCoopers, Deloitte Touche Tohmatsu and Ernst & Young (or any of their successors); and/or
- (c) a member of the American Institute of Certified Public Accountants (**AICPA**), the Institute of Chartered Accountants in England & Wales (**ICAEW**), or Koninklijk Nederlands Instituut van Registeraccountants (**NIVRA**) (whichever of these associations governs accounting in the country in which the auditor practices), or a member of a professional body of similar standing where this is not practicable.

2. Opinion

The audit statement on the Official Past Use Report shall be in the form of the Independent Audit Statement set out in Schedule 1.

[insert Licensee Name], *The Licensee*

We have audited the attached report (the *Official Past Use Report*) relating to the Shipments of Licensed Products to or by Licensee and its Registered Affiliates, as reported by Licensee to Licensing Company under the “*License Agreement for BD Software Manufacturer*” between them dated **[insert Date]** (the *License Agreement*). The Official Past Use Report has been duly initialed by us for identification purposes and relates to the period starting **[insert Date]** and ending **[insert Date]**.

1. Respective Responsibilities of Directors, Management and Auditors

The directors and/or management are responsible for preparing the Official Past Use Report in accordance with the terms of the License Agreement, so as to set out completely and accurately the information required to be reported under the License Agreement for the period **[insert Date]** through **[insert Date]**.

Our responsibility is to express an opinion on the completeness and accuracy of the Official Past Use Report based on our audit of Licensee Owner’s (and/or its Registered Affiliates’) books and records and other aspects of its manufacturing and distribution operations.

This audit statement is intended for use by the Board of Directors and Management of Licensee for the purpose of its reporting requirements under the License Agreement, and therefore may only be made available by Licensee to Licensing Company (and Licensee’s Affiliates) as defined in the License Agreement. We consent to such distribution on the understanding that under no circumstances shall we accept any liability or responsibility to Licensing Company (or its Affiliates), or to any other party to whom our report is made available, whether or not intentionally and whether or not by Licensee or Licensing Company (or either of their Affiliates). This audit statement may not be made available to any other party without our prior written consent.

2. Basis of Audit Opinion

We have conducted our audit in accordance with those elements of generally accepted international standards on auditing that are relevant for the purposes of forming an opinion on the completeness and accuracy of the Confirmation Letter. These standards require that we:

- (a) plan and perform the audit in order to make ourselves satisfied that the Official Past Use Report is free of material mistakes, misstatements or other inaccuracies;
- (b) examine, on a test basis, evidence supporting the statements made in the Official Past Use Report;
- (c) assess the appropriateness of the accounting principles adopted in preparing the Official Past Use Report and the accuracy of significant estimates made in the Official Past Use Report by the management of Licensee; and
- (d) evaluate the overall presentation of the Official Past Use Report.

We believe that the method adopted in our audit provides a reasonable basis for issuing our statement.

3. Statement

In our opinion, the Official Past Use Report sets out completely and accurately (in all material respects) the information required to be reported by Licensee under the License Agreement for the period [insert Date] through [insert Date].
